

Making Your YS Federal Credit Union Membership More Powerful

SYSTEM UPGRADE

Great news for all YS Federal Credit Union members! Beginning in May 2018, you will have access to many new and improved financial services thanks to a system upgrade. Your YS Federal Credit Union staff is working harder than ever to deliver the services that you have requested. These services will not only help you manage your finances better, but also make your life easier. Keep an eye out for updates!

Improvements Include:

- **Improved Telephone Teller:** Great new capabilities, available 24/7, from anywhere in the world!
- **Enhanced Internet Banking:** It's Me 247 Online Banking enables you to make transfers, pay bills, set up account alerts, and much more - anywhere you have an internet connection, including new Mobile and Text Banking options from YS Federal Credit Union using It's Me 247 Mobile Banking & It's Me 247 Text Banking
- **Bolstered eStatements:** eStatements will have a new look and feel with easy to identify information available within It's Me 247.
- **Robust Online Bill Payment:** You can pay bills when you choose, using the world's most popular bill payment system.

Things to Know

While the emphasis of this upgrade is on improvements, many things will remain the same. You will retain the same friendly YS Federal Credit Union staff, along with the great service. Keep an eye out for more details as we get closer to May 2018. We will have more exciting news to share in the coming months!

- We will be closed on May 1st and May 2nd.
- Shared branching will be unavailable April 30th and May 1st.
- Plan ahead for in-office transactions. We will be open April 30th and reopen on May 3rd.
- There will be reduced access for purchases via plastic cards between 3:00 AM April 30th through 8:00 AM May 2nd.
