Dear Member,

We are happy to let you know that improved payment and account access options for your YSCU Visa will soon be available.

How this may affect you:

- EZCardinfo.com will continue to be your portal to view balances, make payments, and report disputed transactions. We recommend EZCardInfo.com to give you the most accurate and detailed information about your Visa account.
- It's Me 247 will show the current balance for your Visa account and allow you to make payments directly from your checking or savings account. Please note: the current balance may not reflect pending purchases or payments.
- Any payments made at our branch or through It's Me 247 will post to your Visa within two business days of the payment date.

If you have any questions about your Visa account, or need assistance enrolling for EZCardinfo.com, please call us at 937-767-7377. You can also stop by our branch for in person assistance.

Please remember that we want your YSCU Visa to be your first choice in paying for purchases. Our rate is low; there are no annual fees, and requesting a limit increase has no cost. Please, also move other card balances to YSCU - either as a free balance transfer to your current Visa, or to another YSCU loan product. Not only will you save money in interest, but you will be supporting the efforts we make in helping the people of Yellow Springs. Call today and we will step you through the process.

Thank you for being a YSCU member!
